**New! myUCF Grades**
We are pleased to announce a new electronic way to report grades to your students called “myUCF Grades.” No longer will posting of grades outside classrooms or offices be necessary. Available for all classes beginning Summer 2006, a new pagelet will automatically synchronize with your official class rosters and allow you to manually input grades, import from a spreadsheet, or report grades uploaded directly from the Test Scoring Services (without the intermediate step of burning results to a disc). More details and step-by-step instructions can be found at: [http://www.fctl.ucf.edu/ resources/myUCFgrades/](http://www.fctl.ucf.edu/resources/myUCFgrades/).
