

Faculty Center for Teaching and Learning

March 2007

Course Innovation Projects (CIP): Summer 2007

1. Summer Assessment

We invite pairs of faculty composed of one Program Assessment Coordinator and one Program Faculty member to submit proposals to participate in the Summer Assessment CIP. The CIP will focus on “Closing the Loop of Assessment” through introducing and implementing methods to analyze data collected from the program assessments conducted throughout the 2006–2007 academic year and to use the results of the analysis to develop recommendations for program improvements that can then be presented to the whole program faculty. Up to five teams will be funded, with each member receiving a \$500 stipend for a completed project.

Dates: May 25, June 1, 8, 15.

2. SoTL Research

We invite individuals or small teams to submit proposals to design and implement Scholarship of Teaching and Learning (SoTL) research projects. Faculty will participate in eight workshops (24 contact hours)—four workshops during the summer semester of 2007 and four workshops during the fall semester of 2007. By completing the summer workshops and producing a finished research plan, faculty will receive a \$500 stipend. Upon completing the fall 2007 workshops and the delivery of a final project report and poster at the Faculty Research Showcase during the spring 2008 semester, faculty will receive a second \$500 stipend. Up to ten participants will be selected.

**Dates: May 18, June 1 and 22,
July 20, September 7 and 28,
October 12, November 16.**

Applications for both events:

SoTL Faculty Showcase

The Faculty Center continues to support the Scholarship of Teaching and Learning at UCF with its third annual “Faculty Showcase” event. We invite UCF faculty to create posters about their SoTL projects that have been completed, are underway, or are merely planned. Posters that address creative teaching techniques are also welcome.

GTA Certificate Course

Please encourage your Graduate Teaching Assistants to consider our non-credit Certificate course, particularly if they are instructors of record. This certificate meets the university’s GTA Training requirement.

The course lasts 12 weeks, starting May 18, and meets on Fridays from 1:30–4:30 p.m. The Summer 2007 Certificate course will offer a stipend to GTAs who complete the class requirements. More information and online application can be found at <<http://www.fctl.ucf.edu/events/GTAprograms/gtacert>>.

*Here's what's happening this month at the Faculty Center for Teaching and Learning.
Make plans to join us!*
