January 22, 1:00 - 2:00

Some Common Teaching Models

This interactive session will inform you of the benefits and challenges of a variety of common teaching models. Participants will then be invited to schedule one-on-one sessions to innovate aspects of their courses based on a selection of models.

January 16, 10:00 - 11:00

January 20, 1:00 - 2:00

January 21, 10:00 - 11:00

A Theme for Your Course: Sustainability-Ideas and Resources

We will discuss several ways to thematize any course with case studies and activities related to sustainability, the environment, and global climate change.

January 23, 10:00 - 11:00

January 27, 2:00 - 3:00

Google Alerts, Google Scholar, Google Sites and More

Google is such an online juggernaut, you may not even know about all the tools available to help with teaching, or with your research. We'll also look at Google RSS Reader, iGoogle, Google Docs, Google Book Search, and a multitude of other Google tools. Some may fit your needs; others won't.

January 26, 11:30 - 12:30

January 28, 1:30 - 2:30
